With 192 pages of images, and text by Roy Thomas, The Little Book of Fantastic Four is your comprehensive guide to this famous foursome! As Roy says in his introduction, by 1967 the FF were eclipsed in sales by Spider-Man, and later on by the X-Men...but they've always been there.

THE LITTLE BOOK OF THE FANTASTIC FOUR - Buds Art Books

The "Little Book of .." series, edited by Roy Thomas, covers ground that is well-worn in other Marvel anthologies / retrospectives (many of which I own, in addition to still having held onto many of the original comics themselves!). That being said, after I purchased one in the series, I liked it enough to get a couple more. My very personal take:
