The Robots of Dawn - Wikipedia

The Robots of Dawn is the third large novel about robots from the legendary sci-fi author Issac Asimov. (The first book being Caves of Steel , the second, The Naked Sun and I would also recommend reading Robot Visions before this as though not necessary some of the short robot stories are referenced in The Robots of Dawn and I found the background knowledge of these made certain story aspects clearer)

?The Robots of Dawn on Apple Books

The Robots of Dawn features a slightly softer brand of science fiction than the previous two books in the series. It also introduces the character of R. Giskard Reventlov, who would go on to star in Robots and Empire, the sequel to the Robot Trilogy and bridging novel between that series and chronologically later parts of Asimov's greater canon.
