In seventeenth-century France, young D'Artagnan initially quarrels with, then befriends, three musketeers and joins them in trying to outwit the enemies of the king and queen.

All D ' artagnan ever wanted was to one day become a part of the French King, Louis XIII majestic Musketeers. And when he is befriended by Athos, Porthos and Aramis, three of the King ' s most able Musketeers, D ' artagnan finally feels like he is on the right path. But trouble comes calling. Suddenly, France is caught in a political conspiracy at the hands of the powerful, Cardinal Richelieu. The Cardinal has come up with an evil plan to humiliate the King ' s wife, Queen Anne, in an attempt to snatch the throne of France and take over the reins of the country. Now, D ' artagnan and the Three Musketeers must fight against the Cardinal ' s sinister schemes, even as the threat of war looms large over France. The Three Musketeers and their young friend have to stop the evil forces and save France from falling into the wrong hands. Together they fight, and stay victorious, and keep alive. They are -- " One for all, and all for one! "

Khaavren of the House of Tiassa is a son of landless nobility, possessor of a good sword and "tolerably well-acquainted with its use." Along with three loyal friends, he enthusiastically seeks out danger and excitement. But in a realm renowned for repartee and betrayals, where power is as mutable as magic, a young man like Khaavren, newly come from the countryside, had best be wary. His life depends on it. And so does the future of Draegara. Set in the same world as Stephen Brust's beloved Vlad Taltos books, The Phoenix Guards is a fantasy rewrite of The Three Musketeers—a swashbuckling tale of adventure. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This premium quality large print edition contains the complete and unabridged classic version of The Three Musketeers, printed on heavyweight, bright white paper in a large 7.44"x9.69" format, with a fully laminated full-color cover featuring an original design. One of the most widely-read and best-known historical adventure novels of all time, The Three Musketeers has delighted readers for generations since it first appeared in 1844. Filled with action and adventure, the novel depicts actual historical events more closely than most would imagine. Dumas' wit and sense of humor is woven throughout, creating a highly entertaining and thoroughly enjoyable tale which has become a truly timeless classic with readers around the world. The year is 1625 and France is ruled by King Louis XIII, weak, indecisive, and heavily influenced by his Minister, Cardinal Richelieu. Young D'Artagnan, brash and provincial, arrives in Paris hoping to become a member of the King's Musketeers, and almost immediately offends three members of that elite corps, Porthos, Aramis, and Athos. Arranging separate but virtually simultaneous duels with each, the four meet but instead of dueling among themselves they band together when attacked by the Cardinal's guards. The four become fast friends, and, when asked by D'Artagnan's landlord to find his missing wife, embark upon a series of adventures that embroils them in the intrigues of the Royal Court and the machinations of Cardinal Richelieu and his most dangerous agent, a beautiful young spy known simply as "Milady," who will stop at nothing to disgrace the Queen, advance the agenda of her master, and take her revenge upon the four friends who have interfered with her schemes. Alexandre Dumas (born Dumas Davy de la Pailleterie, 1802-1870), was a French playwright, novelist, essayist and magazine and travelogue writer. One of the most widely read French authors, his works have been translated into nearly 100 languages. Best known today for his historical adventure novels, including The Count of Monte Cristo and The Three Musketeers, his works, comprising some 100,000 pages, have been the basis for nearly 200 films. Dumas' father, a General born in Saint-Domingue (present-day Haiti) to a French nobleman and an African slave, used his aristocratic rank to help Alexandre secure a position with Louis-Philippe, Duke of Orl ans. With the accession of Louis-Napol on in 1851, Dumas fell out of favor, moving to Belgium for several years before relocating to Russia and then Italy before returning to Paris in 1864. The married Dumas carried on numerous affairs, perhaps with as many as forty different women, fathering at least four and possibly as many as seven illegitimate children, including a boy named after him. This son, a successful novelist and playwright, became known as Alexandre Dumas, fils (son), while the father became known as Alexandre Dumas, p re (father). His last novel, The Knight of Sainte-Hermine, unfinished at his death, was completed by another writer and published in 2005, becoming a bestseller. In 2008 a translation was published in English as The Last Cavalier.

Retells the adventures of a French professor and his two companions as they sail above and below the world's oceans as prisoners on the fabulous electric submarine of the deranged Captain Nemo.

In old times, all brave warriors wanted to become musketeers. This novel's background is in Europe, where the concept of musketeer (a soldier with a gun) was very popular nearly 250 years ago. This is a thrilling story of three friends who work as musketeers. It entertains and educates teenagers. The original flavour of these classics has been carefully retained in these abridged versions. Must be read by the youth, housewives, students and executives.

In seventeenth-century France, young D'Artagnan initially quarrels with, then befriends, three musketeers and joins them in trying to outwit the enemies of the king and queen.

For generations, readers have enjoyed classic literature. They have delighted in the romance of Jane Austen, thrilled at the adventures of Jules Verne, and pondered the lessons of Aesop. Introduce young readers to these familiar volumes with Great Illustrated Classics. In this series, literary masterworks have been adapted for young scholars. Large, easy-to-read type and charming pen-and-ink drawings enhance the text. Students are sure to enjoy becoming acquainted with traditional literature through these well-loved classics.

Provides brief biographies of eight men and women who shaped the history of the United States.
