Winter Tip: Now that the leaves have fallen, it is a good time to remove unwanted plants or have a big garden makeover. There is less plant to dispose of and you can see what you are cutting. If Ivy or brambles are a problem, the winter can be a good time to remove them as they are easier to see among branches that have lost their leaves.

What do gardeners do in the winter?

Enjoy your garden all year round with these warming tricks to appreciate outdoor living during the colder months. This year, instead of packing your garden up for the winter months, why not make frost your friend by embracing the Scandi hygge way of life in your garden?
