Tomatoland - King County Library System - OverDrive

Tomatoland reads like a suspenseful whodunit as well eposé of today's agribusiness systems and the price we pay as a society when we take taste and thought out of our food purchases. PUBLISHERS WEEKLY MAY 16, 2011. In this eye-opening expos , Vermont journalist Estabrook traces the sad, tasteless life of the mass-produced tomato, from its chemical-saturated beginnings in south Florida to far

But Tomatoland turns out to be more about slavery than anything else. Many reviews of the book have noted as much, and I feel a similar obligation: both to let a reader know what's coming, and to praise Estabrook for broaching a vital and forbidding issue. As so often, the subtitle of a book misleads. (I suspect that authors choose titles, and marketing departments write subtitles.) "How
