Faith, it's a word that describes a belief in something that you can't truly know exists. Faith is someone standing in front of a closet telling you that there is gold inside and that you will get that gold at some point if you can just trust that it is there. What's to stop you from looking in the closet? So many people believe that there is gold in the closet, so maybe you should too. The feeling of the possibility of getting the gold is so intense, it is just enough to make it so you don't try and peek inside the closet. The funny thing about faith is that without numbers, it wouldn't exist. Yet, your faith belongs to you; you own it in the most complete sense. It is you that owns this faith and it is you that decides what to make of it. People get mad when something makes them question their faith, yet the only one that can question your faith is you. No man, woman, movie or book can influence the decision you have to keep or discard your faith. In the end, you are the one who decides the direction of your life. This book provides a peak into the closet. It gives you the choice to either believe that you do see the gold, or to believe that there is no gold. What you decide to see and believe is ultimately up to you. This book will help you understand why there is no gold, but instead a much more magical entity. The closet in reality isn't a box but is an unending future.

If you long to reach kids and see their lives changed by God, this comprehensive guide shows you how. Purpose Driven® Youth Ministry will do for youth ministry what Rick Warren's Gold Medallion award-winning, The Purpose Driven® Church is doing for pastoral ministry. It's an

indispensable guide to creating and maintaining youth ministry for the long run. It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people. Forged around the fundamental purposes of evangelism, discipleship, fellowship, ministry, and worship, Purpose Driven® Youth Ministry uses the experiences of Saddleback Church to illustrate what a healthy Youth ministry can be. Nine transferable principles help you - Connect with the power of God for passionate, committed leadership - Define the purpose of your ministry and communicate it effectively - Identify your potential audience - Create programs that reach your audience and fulfill God's purposes - Implement processes that move students to maturity - Enhance your ministry with clearly defined values - Team up with parents to involve the whole family - Find volunteers and develop them into participating leaders - Persevere through tough times and thrive in an ever-changing environment. Balancing both theory and practice, Purpose Driven® Youth Ministry can be applied to any church setting, regardless of size, denomination, facilities, resources, and existing leadership. Purpose-Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events. Doug Fields says, "My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church. It's not a book on how to grow your youth ministry with six easy steps; it's about identifying, establishing, and building health into your church's youth ministry.

High-powered executive Steven Kerner is living the dream in southern California. But when his bottled pain ignites in anger one night, his wife kicks him out. Then an eccentric mystery man named Andy Monroe befriends Steven and begins unravelling his tightly wound world. Andy leads Steven through a series of frustrating and revealing encounters to repair his life through genuine friendship and the grace and love of a God who has been waiting for him to accept it. A story to challenge and encourage, Bo's Cafe is a model for all who struggle with unresolved problems and a performance-based life. Those who desire a fuller, more authentic way of living will find this journey of healing a restorative exploration of God's unbridled grace.

Draws a clear distinction between the very different underlying Christian practices of pleasing God and trusting Him, offering guidance on how to live life as God sees us and build greater trust in order to enable truer relationships and healing. Reprint.
