Through a random occurrence, a bunch of TruTech Digital Photo Frames were just put on the floor at a random Target I was shopping at. So I picked one up without doing any research. It turns out - that a lot of people are not happy with this particular frame due to its poor resolution and image quality. But it's the best (and only one) I could find.

First up are wood photo frames, they give a warm and classic look. Depending on the tone of your photo you can either go for a dark frame or a light one. Then comes the metallic frame that gives a contemporary look to your photo or art. For an elegant look go for a black frame and white picture frames for casual and candid photos.
