Urban Outlaws — Jay Siegan Presents

Magnus Walker is a British former fashion designer and car collector. He emigrated to the United States in 1986 at the age of nineteen and eventually established a clothing brand, called Serious, with his late wife, Karen Caid Walker. Having been fascinated with Porsche since childhood, Walker started collecting and customizing vintage Porsches, mostly the air-cooled 911 model. After the documentary Urban Outlaw about his life, Walker became one of the world's most visible faces of the Porsche a

**\*\*THE INTERNATIONAL BESTSELLER\*\*** Magnus Walker is one of life's originals. Serial entrepreneur, fashion designer, TV presenter, motivational speaker and one of the world's most prolific Porsche collectors, the dreadlocked, tattooed hoarder of individual creativity is a very modern incarnation of success. Raised in the urban decay of Thatcher's Britain, Sheffield-born Magnus Walker left school with just two O levels and drifted for several years before buying a one-way ticket to America. Now, 30 years and three successful businesses later, by following his instincts, rejecting convention and pursuing his passions Magnus has succeeded against all the odds. Here, for the first time, is the full story of his journey from a Northern steel town to the bright lights of Hollywood, from a boy with little hope to an anti-establishment hero. Along the way we'll witness his potent combination of inspiration and graft, discover his motivations and his ambitions, and come to understand his philosophy and the keys to his success. Inspiring and exhilarating, URBAN OUTLAW is a compelling tale of succeeding

through pure instinct and determination by a man who was brave enough to follow his own path.

The world's most lethal computer virus has been unleashed into cyberspace, and now the Urban Outlaws-five tough kids dedicated to justice-must destroy it. Leader Jack knows that they have to shut it down before it throws the world into chaos. But how can he find a virus that might be anywhere, and everywhere? Then the team meets Hector, an insanely talented hacker who even impresses Jack. The Urban Outlaws need his help, but can they trust him? It's a risk that could mean winning big, or losing everything. . . . This sensational sequel has all the makings of a blockbuster movie: non-stop action, cutting edge technology, and a high-stakes plot. But at the heart of this thrill ride is the story of five gutsy kids who will do anything to save the world-and protect each other.

The Urban Outlaws face their biggest challenge yet. They have to break into the Facility and find the ultimate weapon – Medusa – before Hector does. But there are five levels of security to crack and a mystery room that has Jack sweating whenever he thinks about it. But the clock is ticking. Hector is determined to have the weapon and release doomsday, and it is down to the Urban Outlaws to stop him. Can Jack come up with a plan in time? The tension is high and the shocks are breathtaking in the fourth book of this high-octane adventure series for fans of Robert Muchamore, Anthony Horowitz and Alex Scarrow. When an ally betrays the Urban Outlaws and steals a dangerous computer virus, the kids have no choice but to team up with a shadowy figure known as "The Shepherd" to take down their foe. Even though the kids aren't sure who to trust, their jobs--and more importantly, their lives--are at stake if they don't take a chance. To track the virus, the Outlaws venture from London to the United States. As they explore the unfamiliar streets and secret passageways of New York City and Los Angeles, they once again risk everything to save themselves . . . and the world. Reviewers have compared the Urban Outlaws series to Alex Rider, James Bond, and a modern day Robin Hood. This latest middle-grade adventure is filled with non-stop action and is not to be missed.

Kenyatta Shakur is alone. His wife has died, and now, this former Black Revolutionary and political prisoner, is desperate to reconnect with his estranged daughter Nina. If Kenyatta truly wants to reconcile his past, he must first conquer his most challenging revolution of all – fatherhood. *Sunset Baby* is an energised, vibrant and witty look at the point where the personal and political collide. One of the most exciting and distinctive undiscovered voices in America.

This book asks a critical question for our times: why do an increasing number of people support, admire and aspire to be outlaws? Outlaw motorcycle clubs have grown, spread and matured. Popular culture glamorizes them; law enforcement agencies fight them and the media

vilify them. Meanwhile, the outlaw bikers exploit the current cultural and economic climate to attract new members. How Outlaws Win Friends and Influence People argues that the growth of these anti-establishment groups under neoliberalism is not coincidental, but inevitable. The book asks a critical question for our times: why do people today, in increasing numbers, support, admire and aspire to be outlaws? What needs and desires do the clubs satisfy? How do they win support and influence? Answering this is crucial if we are to successfully fight the social harms caused by these groups, as well as the harms that underlie their proliferation. Unless we understand the cultural dynamic at play here, our fight against these organizations will always take the form of a battle against the mythological Hydra: when one head is cut off, two more grow. “Tereza Kuldova is a rebel with a cause - her new book is a razor-sharp critique of stereotypical conceptions of the ‘outlaw biker’ and provides refreshing insights into their subjective life-worlds”? - Daniel Briggs, author of the award-winning Dead-End Lives.

At the height of the sixties, a group of Texas writers stood apart from Texas’ conservative establishment. Calling themselves the Mad Dogs, these six writers—Bud Shrake, Larry L. King, Billy Lee Brammer, Gary Cartwright, Dan Jenkins, and Peter Gent—closely observed the effects of the Vietnam War; the Kennedy assassination; the rapid population shift from rural to urban environments; Lyndon Johnson’s rise to national prominence; the Civil Rights Movement; Tom Landry and the Dallas Cowboys; Willie Nelson, Jerry Jeff Walker, the new Outlaw music scene; the birth of a Texas film industry; Texas Monthly magazine; the flowering of “Texas Chic”; and Ann Richards’ election as governor. In Texas Literary Outlaws, Steven L. Davis makes extensive use of untapped literary archives to weave a fascinating portrait of writers who came of age during a period of rapid social change. With Davis’s eye for vibrant detail and a broad historical perspective, Texas Literary Outlaws moves easily between H. L. Hunt’s Dallas mansion and the West Texas oil patch, from the New York literary salon of Elaine’s to the Armadillo World Headquarters in Austin, from Dennis Hopper on a film set in Mexico to Jerry Jeff Walker crashing a party at Princeton University. The Mad Dogs were less interested in Texas’ mythic past than in the world they knew firsthand—a place of fast-growing cities and hard-edged political battles. The Mad Dogs crashed headfirst into the sixties, and their legendary excesses have often overshadowed their literary production. Davis never shies away from criticism in this no-holds-barred account, yet he also shows how the Mad Dogs’ rambunctious personae have deflected a true understanding of their deeper aims. Despite their popular image, the Mad Dogs were deadly serious as they turned their gaze on their home state, and they chronicled Texas culture with daring, wit, and sophistication.
