Innovation Through Understandingsm The toughest part of innovation? Accurately predicting what customers want, need, and will pay for. Even if you ask them, they often can't explain what they want. Now, there's a breakthrough solution: Innovation Games. Drawing on his software product strategy and product management consulting experience, Luke Hohmann has created twelve games that help you uncover your customers' true, hidden needs and desires. You'll learn what each game will accomplish, why it works, and how to play it with customers. Then, Hohmann shows how to integrate the results into your product development processes, helping you focus your efforts, reduce your costs, accelerate time to market, and deliver the right solutions, right from the start. Learn how your customers define success Discover what customers don't like about your offerings Uncover unspoken needs and breakthrough opportunities Understand where your offerings fit into your customers' operations Clarify exactly how and when customers will use your product or service Deliver the right new features, and make better strategy decisions Increase empathy for the customers' experience within your organization Improve the effectiveness of the sales and service organizations Identify your most effective marketing messages and sellable features Innovation Games will be indispensable for anyone who wants to drive more successful, customer-focused product development: product and R&D managers, CTOs and development leaders, marketers, and senior business executives alike.

FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net - presentationzen.com - shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Graphic Recording--creating live, on-site illustrations to document and visualize presentations, workshops, and meetings--is popular and spreading rapidly. This is the definitive guide. To see the big picture, draw it first. Graphic recording is the rapidly growing practice of visualizing the content of a presentation or meeting by drawing it live with markers and a large sheet of paper. Hand-drawn cartoons and diagrams entertainingly represent key messages, ideas, goals, and results, ensuring high engagement and retention. This book is the first how-to guide for creating graphic recordings and using them to make meetings and workshops more effective. Expert graphic recorder Anna Lena Schiller reveals the essential tools and techniques with examples and helpful visuals.

Personal relationships are the real bedrock of long-term success in any business and any industry. But in today's global economy, forging bonds across cultural divides requires a heightened level of sensitivity. In *You Can't Lead with Your Feet on the Desk*, the leader of Marriott International Lodging, Ed Fuller, delivers real-world advice on how to connect with, manage, and do business with people in any culture, including employees, suppliers, and customers who often have roots in other cultures. Fuller, who grew Marriott's international business from sixteen hotels in six countries to 400 properties in seventy countries, explains how to navigate cultural nuances and language differences, unfamiliar geography, and frustrating bureaucracy. Building trust, shared values, and commitment to a business partnership is harder in cross-cultural situations, but it can and must be done if you want to be successful in today's world. No matter the country or community, relationships are the currency of every culture. Fuller explains how to build these relationships, how to discover the other person's interests and needs--and why you have to get your feet off the desk, cross the cultural borders, and go meet them in the context in which they're most comfortable. Fuller prepares you for this journey with guiding principles for avoiding missteps and for creating lasting connections crucial to every business leader: Build relationships through mutual respect Earn trust quickly by delivering during a crisis Understand

how verbal and nonverbal cues can make or break a deal Lead from the front and be willing to give yourself the tough jobs Learn the local customs and history in order to create positive relationships Your skills at forming and maintaining close ties with associates and partners give you the competitive advantage. So, ditch the desk, and learn how to overcome differences in today's multicultural business environment. "This is a must-read! Every American needs to know how to work with others in this multicultural society. The diversity of the American business community has expanded over the past decades. As a leader you need to know how to manage and interact in our multi-cultural business environment. Ed Fuller has given you the guideposts, the pitfalls have been identified, and the opportunities are yours. This is an essential read for all leaders and one that I highly recommend."
