Book a Table - Paul Ainsworth

The Rime of the Ancient Mariner - It is an ancient mariner. Beneath the lamp the lady bowed, And slowly rolled her eyes around; Then drawing in her breath aloud, Like one that shuddered, she unbound The cincture from beneath her breast: Her silken robe, and inner vest, Dropt to her feet, and full in view, Behold! her bosom, and half her side— A sight to dream of, not to tell!

A major Grimsby road will be closed for more than three months as work to build a new roundabout continues. Cambridge Road will be shut to traffic from Thursday, September 3 until Friday, December ...

Exploring the themes of heroism, sex, and death, a trio of novellas includes "Tell Me," about a young undergraduate's initiation into the mysteries of love, life, and the heroic cycle.

From the National Book Award winner, three linked novellas that "will stretch your mind, challenge your thoughts, and bend your reality" (Charlotte Observer). John Barth, "one of the greatest novelists of our time" (Washington Post Book World) and "the master of experimental fiction" (Details), presents a lively triad of tales that delight in the many possibilities of language and its users. The first novella, "Tell Me," explores a callow undergraduate's initiation into the mysteries of sex, death, and the Heroic Cycle. The second, "I've Been Told," traces no less than the history of storytelling and examines innocence and modernity, ignorance and self-consciousness. And the three elderly sisters of "As I Was Saying . . ." record an oral history of their youthful muse-like services to (and servicing of) a subsequently notorious and now mysteriously vanished novelist. Sexy, humorous, and brimming with Barth's deep intelligence and playful irreverence, *Where Three Roads Meet* "employs all of his familiar devices—alliteration, shifts in diction and time, puns—to tease and titillate, while at the same time articulate—obliquely, sadly, angrily, gloriously—a farewell to language and its objects: us" (Publishers Weekly, starred review). "Barth is markedly intelligent about language and often very funny." —The New York Times "Perhaps the most prodigally gifted comic novelist writing in English today." —Newsweek

A collection of stories explores a wide variety of narrative approaches, including stories within stories, while also examining the playful power of language in everyday life.

Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and

increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

This collection of literary utopias calls for a complete overhaul of existing assumptions about utopian writing in this period. The representation of utopian texts in these volumes shows that William Morris is far from "representative" of basic trends in the genre in this era. This is Volume 1 of 6 and looks at selected works from 1875 to 1879.
