WINGS – Freedom Through Transformation

Directed by Som Bakshi, Rita Bakshi. There never has been nor will be a time when man's own nature shall cease to demand his foremost attention. The evolution of human consciousness is the most comprehensive enterprise ever undertaken by humankind, besides which the greatest of physical achievements pale into insignificance. In the quiet spaces of our lives we often wonder: Where did we come from?

In the turbulent backdrop of India's struggle for freedom in British India, destiny brings together Raju, a young Indian aspiring to be a revolutionary and Eileen, the teenage daughter of a British officer. Will their relationship survive the societal pressures, cultural divide, and the political turmoil? It is the year 1911. King George the Fifth is due in Delhi for his coronation celebration. A devastating fire in the royal camp gives rise to speculations of sabotage and an assassination attempt by the Indian revolutionaries. In the aftermath of this sensational event, Raju, a college student, struggling to establish his identity in the charged atmosphere of India's freedom struggle, is caught up in the vortex of violent passions, as two of his innocent friends are made scapegoats for the blaze, by the police and murdered. Raju's relentless journey against colonial rule and the economic exploitation of India begins. An effervescent romance with Eileen keeps Raju inspired in their roller-coaster ride through the backdrop of British imperialism, turbulent political conflicts, and the fury of the freedom revolution. "Wings of Freedom" is a novel about British India, with a difference, as an Indian author, Ratan Kaul, brings out this tumultuous era from an Indian point of view.

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Invention of Wings* by Sue Monk Kidd features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved. Please note there is another digital edition available without Oprah's notes. Go to Oprah.com/bookclub for more OBC 2.0 content

At the end of the Vietnam War, Pan American World Airways successfully evacuated 463 American and Vietnamese civilians on April 24, 1975, aboard a Boeing 747-the last plane out. At the time, Allen H. Topping was serving as the Pan Am Director of South Vietnam and Cambodia and was instrumental in the success of that last flight. Topping lived and worked in South Vietnam for two and a half years. In addition to its global network of scheduled services, Pan Am was also involved in many other rescue and humanitarian operations throughout the world. These operations and missions included the Berlin Airlift, rescue operations from Tehran, operational support for US forces in WW II, the Korean War, the Vietnam War and, most recently, the Gulf War. Prior to joining Pan Am Allan Topping worked for the Institute of International Education on and United Airlines in New York City. He joined Pan Am on June 2, 1969 as a sales representative, assigned to the San Francisco sales office. In November of 1972, Al became the Director of Vietnam and Cambodia, based in Saigon, South Vietnam. After managing operations at various stations overseas for almost eight years, he returned to the U.S. in 1982, Pan Am appointed him as Assistant to The Chairman Consumer Affairs. Topping continued to hold other management positions until the company ceased operations on December 4, 1991. For the next 23 years he worked for The Miami-Dade School Board Administration, The Miami Herald and the Miccosukee Golf & Country Club in Miami, Florida. Now fully retired Topping is playing lots of golf in Ocala, Florida.

In late June 2005, media sources recounted the tragic story of nineteen U.S. special operations personnel who died at the hands of insurgent / terrorist leader Ahmad Shah- and the lone survivor of Shah's ambush-deep in the Hindu Kush Mountains of Afghanistan. The harrowing events of Operation Red Wings marked an important-yet widely misreported-chapter in the Global War on Terror, the full details of which the public burned to learn. *Victory Point* reveals the complete, as-yet untold, story of Operation Red Wings (often mis-referenced as "Operation Redwing"), and the follow-on mission, Operation Whalers. Together, these two U.S. Marine Corps operations (that in the case of Red Wings utilized Navy SEALs for its opening phase) unfurl not as a mission gone terribly wrong, but of a complex and difficult campaign that ultimately saw the demise of Ahmad Shan and his small army of barbarous fighters. Due to the valor, courage, and commitment of the 2nd Battalion of the 3rd Marine Regiment in the summer of 2005, Afghanistan was able to hold free elections that Fall. Here is the inspiring true account of heroism, duty, and brotherhood between Marines fighting the War on Terror.
