In Witches Abroad Terry Pratchett is at his best again. The reader is fully plunged into the adventures of three witches: Magrat, young and slightly naive, and her two experienced companions, Nanny Ogg and Granny Weatherwax, who try to stop a Cinderella-like girl from getting her prince... for good reasons.

~~Witches Abroad: (Discworld Novel 12) (Discworld series ...~~

Witches Abroad is the 12th Discworld novel by Sir Terry Pratchett. The thing about Discworld is that you don't necessarily have to read his books in order. They all take place in the same world, and all the characters pop up and make cameos in each other's stories, but it doesn't really matter.

Witches Abroad was the 12th Discworld book, which means that coming to it late means going back to a Discworld where the Watch is still a bit of a joke, where Tiffany Aching has yet to emerge, and where so many of the social changes with regard to the less human creatures of the Disc had yet to occur.

It seemed an easy job. After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? But for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick, travelling to Genua, things are never that simple.

Once upon a time there was a fairy godmother named Desiderata who had a good heart, a wise head, and poor planning skills—which, unfortunately, left the Princess Emberella in the care of her other (not quite so good and wise) godmother when death came for Desiderata. So now it's up to Magrat Garlick, Granny Weatherwax, and Nanny Ogg to hop on broomsticks and make for far-distant Genua to ensure the servant girl doesn't marry the Prince. But the road to Genua is bumpy, and along the way the trio of witches encounters the occasional vampire, werewolf, and falling house (well this is a fairy tale, after all). The trouble really begins once these reluctant foster-godmothers arrive in Genua and must outwit their power-hungry counterpart who'll stop at nothing to achieve a proper "happy ending"—even if it means destroying a kingdom.

Be careful what you wish for... Once upon a time there was a fairy godmother named Desiderata who had a good heart, a wise head, and poor planning skills—which unfortunately left the Princess Emberella in the care of her other (not quite so good and wise) godmother when DEATH came for Desiderata. So now it's up to Magrat Garlick, Granny Weatherwax, and Nanny Ogg to hop on broomsticks and make for far-distant Genua to ensure the servant girl doesn't marry the Prince. But the road to Genua is bumpy, and along the way the trio of witches encounters the occasional vampire, werewolf, and falling house (well this is a fairy tale, after all). The trouble really begins once these reluctant foster-godmothers arrive in Genua and must outwit their power-hungry counterpart who'll stop at nothing to achieve a proper "happy ending"—even if it means destroying a kingdom.

It's Midsummer Night – no time for dreaming. Because sometimes, when there's more than one reality at play, too much dreaming can make the walls between them come tumbling down. Unfortunately there's usually a damned good reason for there being walls between them in the first place – to keep things out. Things who want to make mischief and play havoc with the natural order. Granny Weatherwax and her tiny coven of witches are up against real elves. And they're spectacularly nasty creatures. Even in a world of dwarves, wizards, trolls, Morris dancers – and the odd orang-utan – this is going to cause trouble... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel Lords and Ladies wittily and faithfully reimagines the story for the stage.

'I thought: opera, how hard can it be? Songs. Pretty girls dancing. Nice scenery. Lots of people handing over cash. Got to be better than the cut-throat world of yoghurt, I thought. Now everywhere I go there's...' Death, to be precise. And plenty of it. In unpleasant variations. This isn't real life - it's worse. This is the Opera House, Ankh-Morpork...a huge, rambling building, where innocent young sopranos are lured to their destiny by a strangely-

Download Ebook Witches Abroad Discworld Novel 12 Discworld Series

familiar evil mastermind in a mask and evening dress, with a penchant for lurking in shadows, occasional murder, and sending little notes full of maniacal laughter and exclamation marks. Opera can do that to a man. But Granny Weatherwax, Discworld's most famous witch, is in the audience. And she doesn't hold with that sort of thing. So there's going to be trouble (but nevertheless a good evenin's entertainment with murders you can really hum...). And the show **MUST** go on.

A collection of three of the author's Discworld novels - Equal Rites, Wyrd Sisters and Witches Abroad - that feature the characters Granny Weatherwax, Nanny Ogg and Magrit Garlick.

They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

A heart-stopping thriller from the award-winning crime fiction author whose “ novels are almost indecently gripping and enjoyable ” (Sophie Hannah, New York Times – bestselling author). Belinda Bauer is a British crime writer of the highest caliber, whose smart, stylish novels have captivated readers and reviewers on both sides of the Atlantic and earned her a reputation as “ the true heir to the great Ruth Rendell ” (The Mail on Sunday). The Beautiful Dead is a riveting narrative centered on a down-on-her-luck journalist and a serial killer desperate for the spotlight. TV crime reporter Eve Singer ’ s career is flagging, but that starts to change when she covers a spate of bizarre murders—each one committed in public and advertised like an art exhibition. When the killer contacts Eve about her coverage of his crimes, she is suddenly on the inside of the biggest murder investigation of the decade. But as the killer becomes increasingly obsessed with her, Eve realizes there ’ s a thin line between inside information and becoming an accomplice to murder—possibly her own. “ Bauer ’ s novel unfolds like an episode of Criminal Minds, with rapid-fire plotting. ” —Entertainment Weekly

Do you believe in magic? Can you imagine a war between wizards? An exciting journey in an airship or down in a submarine? Would you like to meet the fastest truncheon in the Wild West? The Witch ’ s Vacuum Cleaner is the second fabulously funny short-story collection from the late acclaimed storyteller Terry Pratchett. A follow-up to Dragons at Crumbling Castle, this second batch of storytelling gems features stories written when Sir Terry was just seventeen years old and working as a junior reporter. In these pages, new Pratchett fans will find wonder, mayhem, sorcery, and delight—and loyal readers will recognize the seeds of ideas that went on to influence his most beloved tales later in life. As Neil Gaiman says, “ a Terry Pratchett book is a small miracle ” —and The Witch ’ s Vacuum Cleaner proves to be another miracle taking its place alongside Pratchett ’ s astounding and cherished body of work.

Things like crowns had a troublesome effect on clever folks; it was best to leave all the reigning to the kind of people whose eyebrows met in the middle. Three witches gathered on a lonely heath. A king cruelly murdered, his throne usurped by his ambitious cousin. A child heir and the crown of the kingdom, both missing... Witches don't have these kind of dynastic problems themselves - in fact, they don't have leaders. Granny Weatherwax was the most highly-regarded of the leaders they didn't have. But even she found that meddling in royal politics was a lot more complicated than certain playwrights would have you believe, particularly when the blood on your hands just won't wash off and you're facing a future with knives in it...
