In doing this we can respond to the invitation Pope Benedict XVI extended to all of us when he said, "I encourage all religious groups in America to persevere in their collaboration and thus enrich public life with the spiritual values that motivate your action in the world" (from Benedict XVI; Meeting with Representatives of Other Religions.) In Primary Source Readings in World Religions you will find portions of the foundational texts and teachings of a wide variety of world religions, including Islam, Shinto, Confucianism, Sikhism, Judaism, Hinduism, Taoism, Christianity, and Buddhism.>

Experiencing the World's Religions provides a clear and compelling account of religion as a diverse, lived experience by peoples around the world. Global in its coverage, the text conveys the vitality and richness of the world's religions as a living cultural wellspring that not only concerns systems of belief but how those beliefs are expressed in ceremonies, food, clothing, art, architecture, pilgrimage, scripture, and music. The text demonstrates why an understanding of the world's religions enriches our lives. In an engaging narrative emphasizing the experience of religion, the text takes students on a personal voyage through doctrines, history, the religiously inspired arts, ceremonies, and everyday expressions of belief and combines these with powerful photographs from around the globe. The text goes beyond traditional approaches to personally connect students with the vitality of the great religions and how they reach into the lives of individuals and the culture at large.
